

Everything For TickIT^{plus} Foundation Certification Now Available

18 January 2012, Ely, England – Everything an organisation requires for TickIT^{plus} Foundation Certification is now available. The transition clock is ticking and TickIT organisations should make the transition to TickIT^{plus} quickly to benefit from competitive advantage.

TickIT^{plus} adds a Capability Dimension to the existing TickIT scheme to help organisations align their services with their clients and customers' requirements. Certified organisations will give their clients and customers confidence by enabling them to accurately judge the exact level of their processes, using capability assessments.

The resources available for organisations working towards TickIT^{plus} Foundation Certification include:

- The [Core Scheme Requirements \(CSR\)](http://www.itgovernance.co.uk/products/3712). Available to purchase for just £60 at www.itgovernance.co.uk/products/3712, and sets out the requirements for undertaking an accredited TickIT^{plus} Assessment which satisfies the ISO 17021 audit requirements. It follows the principles of ISO 15504-2 for conducting capability assessments.
- The [Base Process Library \(BPL\)](http://www.itgovernance.co.uk/products/3460). Available for just £135 at www.itgovernance.co.uk/products/3460, and is essential reading for any organisation considering or undertaking TickIT^{plus} assessment.
- The [Kick Start guide](http://www.itgovernance.co.uk/products/3469) includes guidance on identifying processes, mapping them to TickIT^{plus} processes and establishing the assessment strategy and can be purchased immediately at www.itgovernance.co.uk/products/3469.

In addition to the published materials, there are three organisations currently accredited by Gasq to deliver TickIT^{plus} Foundation training:

- [IT Governance](#)
- [LRQA Training](#)
- [Quality IT AB](#).

Here's a quick round up of the course availability and pricing from the current TickIT^{plus} ATP's:

- [IT Governance](#) – Their next TickIT^{plus} Foundation course will be held in London between 1st - 2nd February 2012. There is a special price available of just £895 including the exam and the [BPL](#) can be purchased at the same time for just £115 (saving £20). You can find further information and book online at www.itgovernance.co.uk/products/3334.
- [LRQA Training](#) – Their next TickIT^{plus} Foundation course will be held in Lincolnshire between 10th – 11th April 2012. The price is £1,145 including the exam or £895 excluding the exam.

You can find further information and book online at:
www.lrga.co.uk/training/courses/quality/ticket-plus-foundation.aspx?coursecost=995&courseidname=TPLUSFOUND/.

- [Quality IT AB](#) – Their next TickIT **plus** Foundation course will be held in Stockholm between 15th – 16th March 2012. The price is 10,100 SEK for Members or 12,300 SEK for Non-members and the exam is available for an additional fee of 3000 SEK. You can find further information at www.itqnord.se/.
